

**Alfred-Almond Central School  
Student Driving**

Student vehicles must be registered in the Main Office prior to driving to school. Students must provide a copy of their NY State driving license before it will be approved.

Student parking is provided either at the north end of the gym or students may use the south lot where the tennis courts used to be. These spaces are the only areas for student parking on the school grounds. Spaces in front of the building are reserved for visitors.

**DO NOT PARK IN FRONT OF THE HIGH SCHOOL BUILDING.**

Student driving is a privilege that may be suspended for:

1. excessive absence or tardiness
2. permitting others to use your vehicle for loitering (keep locked)
3. unsafe driving practices or poor attitude or deportment
4. unauthorized transportation of other students.
